NOTE FOR: Deputy Director of Central
Intelligence

FROM: ADDI

Attached is some information on how our products get to (or don't get to) Generals Vessey and Wickham. I have the feeling that if we are going to get something past Admiral Moreau we will need to send it via the briefer with a note from at least Bob Gates asking that it be called to the attention of the Chairman.

Dissemination to Generals Vessey and Wickham

The NID is the only item disseminated directly to General Vessey, Chairman of the Joint Chiefs of Staff, and to General Wickham, Chief of Staff, Department of the Army. Other publications (DDI and NIC) are made available via a so-called "gatekeeper."

Admiral Arthur Moreau, Jr., Assistant to the Chairman, JCS, does receive publications from us, and his office serves as the channel for getting material to General Vessey. Admiral Moreau's interests are all subjects, worldwide. His consumer profile from the PARDS data base is attached. It includes a listing of the serial publications which he receives.

General William Odom, Assistant Chief of Staff, Intelligence, Department of the Army, provides publications of interest to General Wickham. General Odom's consumer profile is also attached.

A print-out of the publications sent to Admiral Moreau and to General Odom can be provided. It will not, however, show the items passed on to Generals Vessey and Wickham.
